

Child Parental Disclaimer for a Zorbing Party

WE ASK THAT ALL PARENTS SHOULD STAY, AS ZORBING IS A NEW, EXCITING ACTIVITY AND SOME CHILDREN MAY BE SHY AT FIRST, AND MAY WANT THEIR MUM OR DAD TO WATCH AND ENCOURAGE THEM.

Children should be min 5 yrs + ideally min height is 1.2 metres (3ft 9 inches) approx. Children close to this height may participate, under the parent's own approval and supervision.

Prior to every zorbing party booking, we invite all parents and guardians to check out the videos and photos of zorbing parties in action: www.zorbingparties.co.uk

We encourage all parents to stay and watch, and you can even roll your own child around if you wish, which is fantastic support for those children who may be at first shy or nervous!

Parental Approval, we ask each parent/guardian to read, sign and return the disclaimer below:

Sensible Clothing: Children should wear loose, comfortable clothing and trainers. As the safety harness rests on the childrens' shoulders, strappy vests should not be worn, to avoid any skin being rubbed from direct skin contact with the straps. Though the straps are padded, some children have sensitive skin. Hair should be tied back and any jewellery should be removed. Dresses, hair bands and high heel shoes are not appropriate.

Zorbing is not suitable for any children suffering from high blood pressure, any heart condition, epilepsy, or lung condition.

Children must not Body Zorb if they are undergoing any medical treatment or have any other condition that may be affected by participating in such an activity.

Children must not Body Zorb if they suffer from any form of claustrophobia.

Asthmatic children may participate, subject to their own parent/guardian approval and any appropriate inhalers being on their person, on the day of the activity.

Children requiring glasses should still be able to keep them on, as long as they are nice, snug fit, so they don't fall off, when/if the child wishes to roll over in the zorb, we cannot accept any responsibility for any damage to any glasses or anything else on a child's person.

For their own safety, children must obey the supervisor's instructions at all times. Failing to do so, means they may be asked to refrain from further zorbing.

A full risk assessment is available upon inspection (and also online).
